

Egremont Cemetery Commission
Minutes July 2, 2021

Chairperson Campbell called the meeting to order at 8:30 am on the Town Hall's south porch. John Wells was in attendance and Steven Agar was not. Discussion began on notifying residents about availability of new potential gravesites at Town House Cemetery. We will reach out to Rich Atwood to see if we need to gain approval from MA authorities.

Projects getting underway include filling in Northeasterly corner of Hillside Cemetery so as level up area for gravesites. Also, to level up the South side of Hillside to prepare for additional gravesites. John Wells will be in contact with Scott Sullivan about a family gravesite at Hillside Cemetery; notably Vanderbeek.

Our next meeting will be Friday August 6 at 8:30 am.

Meeting was adjourned at 8:55 am.

Respectfully Submitted,
David D. Campbell Chairperson
